

 the radio lounge™

the radio lounge™

The Radio Lounge™ is an eye-catching mobile broadcast studio in the iconic shell of a purpose-built American Airstream™.

Comprising an on-air studio with its own 10 metre mast, a separate lounge area for your guests and a Poggenpohl™ kitchen with fridge and sink, the Radio Lounge™ delivers technical facilities, air-conditioned home-comforts, excellent brand-messaging opportunities and more. It's a unique mix of form and function that puts your show in the spotlight.

Wired For Sound is not affiliated with or sponsored by Airstream Inc. of Jackson Center, Ohio

the radio lounge™

The Radio Lounge hosts US radio talent at the foot of the iconic British Airways London Eye on the Thames South Bank

the radio lounge™

The **Galaxy Radio Network** use the Radio Lounge to broadcast and entertain guests at Godskitchen Global Gathering, Stratford Aerodrome

 **Global Gathering**

The Bruce Dickenson Show is live on **BBC 6 Music** from the Radio Lounge at the Summer Sundae Weekender, Leicester

 **Summer Sundae**

STAFF AND EQUIPMENT

The Radio Lounge can be supplied with or without experienced operational staff, and with or without equipment to suit your specific purpose.

TRANSPORT AND ACCESS

Wired Broadcast will deliver and collect the Radio Lounge for you. You should check that there is clear access to the site and sufficient turning space to manoeuvre into the desired position. Please note that if we are unable to deliver or collect at the agreed time due to site access problems, you may incur additional transport costs.

POWER

A 240V, 32A single phase supply from ground power or a generator is required. In some circumstances a 16A supply may be sufficient.

WATER

The on-board water tanks hold 140 litres, enough to fill the washing up bowl 20 times.

BRANDING

Wired Broadcast can brand the exterior of the Radio Lounge for you.

HEALTH AND SAFETY

It is your responsibility to ensure the safety of all personnel entering or using the Radio Lounge. Safety Instructions are provided and these must be adhered to at all times.

SECURITY

The customer is liable for loss of, or damage to the Radio Lounge from the time that it is delivered by us until the time that we collect it. Please ensure adequate security. All bookings are subject to our Hire Agreement which can be viewed at www.wiredbroadcast.com, and proof of insurance may be required.
